amid a great collection of scholarship and narrative history on the revolutionary war

and the american struggle for independence there is a gaping hole one that john ferling s latest book whirlwind will fill books chronicling the revolution have largely ranged from multivolume tomes that appeal to scholars and the most serious general readers to microhistories that necessarily gloss over swaths of independence era history with only cursory treatment written in ferling s engaging and narrative driven style that made books like independence and the ascent of george washington critical and commercial successes whirlwind is a fast paced and scrupulously told one volume history of this epochal time balancing social and political concerns of the period and perspectives of the average american revolutionary with a careful examination of the war itself ferling has crafted the ideal book for armchair military history buffs a book about the causes of the american revolution the war that won it and the meaning of the revolution overall combining careful scholarship arresting detail and illustrative storytelling whirlwind is a unique and compelling addition to any collection of books on the american revolution

a visual guide accompanied by text to the people battles and events of america s war for independence

a pathbreaking historical work that revolutionizes our understanding of the declaration of independence

in the american colonies of the 1770s people were fed up with british laws local farmers and tradesmen secretly formed a militia in 1775 when the british marched into lexington and concord massachusetts the americans were ready from that first battle to the final showdown at yorktown the americans fought against tremendous odds the british army was bigger and better trained food and guns were scarce but george washington s ragged army fought for and won the freedom and independence we cherish to this day illustrated with black and white photographs the tale of our country s fight for independence is brought to life in fast moving dramatic detail

step back in time to the birth of the united states of america and meet the real life rebels who made this country free on a hot summer day near philadelphia in 1776 thomas jefferson sat at his desk and wrote furiously until early the next morning he was drafting the declaration of independence a document that would sever this country s ties with britain and announce a new nation the united states of america colonists were

willing to risk their lives for freedom and the declaration of independence made that official discover the true story of one of the most radical and uplifting documents in history and follow the action that fueled the revolutionary war

in the war of independence john fiske presents a meticulous and compelling narrative of the american revolution elucidating its historical importance and its impact on the formation of the united states fiske employs a blend of engaging prose and scholarly analysis merging the storytelling techniques of historical fiction with rigorous factual reporting his work contributes to the literary tradition of historical scholarship influenced by romantic ideals prevalent in the late 19th century offering a detailed examination of key figures battles and ideological conflicts that defined the struggle for american autonomy fiske an esteemed american historian and philosopher was deeply influenced by the burgeoning national identity of post civil war america his academic background and passionate advocacy for historical understanding propelled him to explore the foundational narratives of the united states as a prominent figure in the intellectual circles of his time fiske s insights reflect his belief in democracy and the transformative power of the american experience which shaped his writings on independence and liberty this book is highly recommended for readers seeking a profound understanding of the american revolution and its enduring legacy fiske s thoughtful examination not only informs but inspires making the war of independence an invaluable resource for historians students and anyone interested in the complexities of american history

the world almanac library of the american revolution is an eight volume series that tells the story of the founding of the united states of america the series shows how the american revolution was more than just a series of battles it was a revolution of ideas during the course of the conflict american colonists loyal subjects of the british crown came to believe that the only way they could assert their rights was to declare independence from britain illustrated by maps and colorful pictures and featuring historic documents the series brings alive the struggle for american independence book jacket

in this book the whole course of the revolt against oppressive british legislation and taxation is recreated the author shows us the giants who made the revolution men like adams jefferson and washington and uses original sources to throw fresh light on

famous incidents the boston tea party the declaration of independence the battle of lexington but he also brings before the reader six very different people living on the edge of empire from a plantation owner to a slave called sam a new england woman and a boston shoemaker all had major grievances that provided impetus for the revolution and all experienced profound changes in every aspect of their lives changes that paved the way for america s dynamic development in the 19th century

the 22 book american milestone series is featured as retailers recommended fabulous products in the august 2012 edition of educational dealer magazine kids will explore the ins and outs of the american revolution from the first cries of dissent to the signing of the treaties which told the world that the united states of america was a power to be reckoned with this 32 page book is reproducible loaded with activities that will have kids imaginations crossing icy rivers and dodging musket balls in the fight for freedom a partial list of the table of contents include a timeline of events how our nation was born the american revolution the boston massacre march 5 1770 december 16 1773 boston tea party paul revere s ride native americans george washington declaration of independence revolutionary uniforms revolutionary spies additional resources glossary and more this fun fill activity book includes make boston tea party popcorn make cherry thumbprint cookies make a compass make a patriot hat make a canoe create a five pointed star create a timeline connect the dots answer the questions and much more
